eScreen, Inc. Receives the NOVA Award from the Overland Park Economic Development Council (OPEDC)

Overland Park, KS. — January 9, 2009 — eScreen, Inc., the provider of instrumented drug screening and electronic hiring program management solutions, today announced it has received the NOVA award from OPEDC.

The NOVA award is presented to fast-growing companies in Overland Park. The Chamber of Commerce Economic Development Council recognizes those companies that help make Overland Park the “Leading Suburban Business Community in the Midwest”.

eScreen’s President and CEO Robert Thompson said, “eScreen has just celebrated 10 years of business in the Overland Park area, so we are especially proud to be recognized by The Chamber of Commerce at this time. We look forward to maintaining our commitment to the local community and strive for continued growth and success in our professional endeavors.”

eScreen executives accepted the NOVA award at the second annual honors luncheon on Thursday, January 8, in the Regnier Center on the Johnson County Community College campus.

About eScreen, Inc.

Located in Overland Park, Kansas, eScreen was founded in 1998. eScreen manufactures and markets the first and only automated instant rapid drug testing device. eScreen offers a rapid, electronic, paperless Chain of Custody solution to pre-employment drug testing.
